

Ryan Finley Bio

Ryan writes comprehensive, technical articles and features for Tax Notes Federal and Tax Notes International that cover a broad spectrum of tax topics, focusing mainly on transfer pricing and related issues, including U.S. transfer pricing litigation, OECD-led guidance projects, and other international developments, that analyze pressing issues to engage the public and foster discussion. Previously as a legal reporter for Tax Notes Today International, he covered the OECD's base erosion and profit shifting report on transfer pricing as well as high-profile U.S. court decisions, including *Amazon v. Commissioner*, *Medtronic v. Commissioner*, and *Coca-Cola v. Commissioner*. He also helped develop Tax Notes' Transfer Pricing Center. Before joining Tax Analysts in 2015, Ryan worked as a transfer pricing consultant. He has a BA in economics from Johns Hopkins University and a JD from the University of Illinois College of Law.
