### **Summary of experience**

Amy is a senior manager in RSM's Washington National Tax SALT group. Amy is responsible for tracking legislation, providing client service, and serving as a technical resource as it relates to state corporate income tax and ASC-740. Amy has 14 years of experience within state tax, including research and planning activities, controversy, and state tax provisions (preparing and auditing). She also has extensive experience with corporate tax compliance, M&A, and tax function outsourcing for clients. Prior to joining RSM, Amy was a senior manager at EY in the State and Local Tax practice based out of the Boston office.
