Summary of experience

Lauren Jones is a senior manager with experience effectively integrating Vertex with various ERP packages such as PeopleSoft, SAP, MS Dynamics GP and other proprietary legacy systems. She also has extensive implementation experience with Thomson Reuters ONESOURCE Indirect Tax Determination, AvaTax ST and Oracle eBusiness Tax.

As well as working with clients to configure and manage automated tax solutions, Lauren has assisted with traditional sales and use tax consulting services such as process analysis and improvement, contractual registration, refund analysis, voluntary disclosure, managed audits and audit defense. She also leads RSM's sales and use tax outsourcing practice providing clients with timely and accurate monthly sales tax filings, response to "Notices of Tax Action," reconciliation of the client's sales tax account, and identification of best practices regarding the overall sales tax compliance process.
