**Faranak focuses on providing US Indirect Tax advisory and global systems implementation and improvement services. She has more than 25 years of experience assisting companies with their general indirect tax operational, processes, compliance, and controversy issues.**

**Key relevant experience:**

- Faranak focuses on US and global tax operating model, system and process review and automation projects and has led numerous large global tax co-sourcing and technology implementation projects. She has advised a wide range of companies on indirect tax planning and restructuring, process improvement, FAS 5/ASC 450 risk assessment and quantification, multistate refund studies, voluntary disclosure projects, managed compliance agreements, controversy management, due diligence reviews and nexus and taxability determination projects. Faranak has extensive experience assisting companies in the manufacturing, retail, technology, communications and health care industries.
- Faranak has been an active member of AICPA and past Chair of the AICPA State and Local Tax Resource Panel. She has also been actively participating in the Streamlined Sales Tax initiative since 2000. She is currently a member of the Business Advisory Committee Board and serves as the Chair of the Audit Liaison Sub-committee. Faranak serves on the advisory boards of Paul J. Hartman State Tax Forum. Faranak is an active member of the Institute for Professionals in Taxation and past member of Board of Governors.
