

Mary Ann is the Vice President – US Tax for RELX, Inc. (RELX), a global provider of information-based analytics and decisions tools. She is responsible for all aspects of US reporting, compliance, controversy, and planning. She has over 25 years of experience in both SALT and Federal tax. She has been with RELX since 2012 focusing on SALT and later Federal tax matters before her current position. She is a SALT “jack of all trades” dealing with income/franchise tax, sales/use tax, unclaimed property, personal property tax, and other state matters. Prior to joining RELX, Mary Ann worked for Raytheon Company where she focused on federal matters including compensation and benefits, the research and development tax credit, and accounting methods. She also spent a number of years with the Boston offices of Arthur Andersen and Ernst & Young. Mary Ann holds a Juris Doctor degree from Suffolk University Law School and a Bachelor of Science in Finance and Management from Boston University.

Mary Ann is a member of COST, Global Business Alliance, Tax Executives Institute (New England chapter – SALT committee), and the Massachusetts Bar.
